Coach Sullivan Corner: It's been a tough week, through the various challenges we face, the solution is going to come from within and each other. I hope that each level looks at each other and doesn't point fingers, but looks inside and makes an effort in the coming week to push each other to play better and push themselves, especially when it is hardest...in practice. Let's all move forward and finish this season strong. We will fix the problems and come together going into the JV tournament and the state playoffs.

Coach Sullivan's recommendation for Summer Camp

In addition to the camp at Lake Forest, another option is

Ultimate lacrosse camp at Benedictine University

I think this is a very good camp for players on our two lower level teams

Mulch Computer Input: One final mulch thank you goes out to Nuala Kavanagh. Nuala spent many hours in front of her computer doing all the data entry for all the mulch orders. This is a huge job and we appreciate everything she did to help make this a successful mulch sale! Thanks, Nuala!

Press Releases by Rich Easton:

Wildcats claw rams 15-0

The Wildcats controlled the rain postponed game during both contests, shutting out the Rams of Grayslake central by a margin of 15 goals. Blazer and Kiewicz manned the goal, while the defense limited them to 2 shots on goal.

The offense was led by Jonny Darling with 2 goals and 2 assists, supported by two goals a piece from Easton, Smith, Ganz, and Kolar. Other tallies from Dickson, Piazzi, Griffiths, Houser and Conroy.

Libertyville 8. New Trier 9

Jordan Blazer recorded 17 saves on 25 shots during the close battle against the Trebians. Most of his saves came from close range shots around the crease, making his performance that much more impressive.

The Libertyville offense was led by Tommy Piazzi with 3 goals and two assists, followed by two goals from Matt Easton. Other key tallies came from Dickson, Schlesinger, and Houser. The offense fired 28 shots on goal, missing 20 from a combination of goalie saves and off-target shots.
